

FedEx Statement on Coronavirus

20-03-2020

FedEx is adhering to all regulations and guidelines from government authorities related to containment of COVID-19. As an essential service, we continue to operate to and from impacted areas as local conditions and restrictions allow, and are taking recommended precautions in terms of team member and customer health and safety.

The safety and well-being of our 475,000 team members is our top priority, as they continue to deliver critical goods to support communities across the globe. We appreciate our frontline team members and their unwavering commitment to deliver for our customers through this global crisis. We are closely monitoring guidance by the World Health Organization and other public health organizations, and taking proper health precautions where warranted. We are also

encouraging our team members to take any signs of illness seriously and seek medical attention as needed.

Work and travel restrictions may affect shipments inbound and outbound to and from impacted areas, as well as shipments moving within those areas. Customers can visit [fedex.com](https://www.fedex.com) or [tnt.com](https://www.tnt.com) to check the status of their shipments.
